1. I love you and have given you Me and you understand Me not, not as much as you will, for you have yet to behold Me in what has never been beheld; how to make all things new. I love you. I give you Me. I give you newness of life and life eternal and eternally you I give you, Me. **See what I have said and ignore not but press into Me for** and I will disappoint not for flow I will in undercurrents not, for **I am a tidal wave coming** and flowing to and through all who let Me.

2. You make all things new through the word of My mouth, Me, and **give you all things I do, I have, now, all things new and how to new-ize and make clean and replete and create of Me never seen before; beheld by no one; the Son of God replete in His/My creation, Me/Him the creator with you were, you remembering My name as we walked and talked and shared water, living water, water of life crystal clear river of water running through us; two not, one. I love you.**

3. Newing My body you now have, do, and do again for My Father in heaven not, not only, not upon your throne only, thought, but our throne **for one and the same we are.**

4. Beholding Me you do, will, are; perceiving with reverence not but thinking it not robbery to be equal with Me (1) and distributing gifts (2) as we will, to others, worlds apart. I fly you there, in the twinkling of an eye. I love you. Time and space transcendent, you know. Watch Me. I love you.

5. Making all things new and with the word of My life renewing Me in My Mine to new Me/them to renew others not but new them, the fullness of My word replete which transcends all logic-thought and tradition of man maintained for Me not in reverence but in control more than reverence.

6. I love you. My work for you to do is My work which is My rest, My rest, My meat, My will, My newness, My creativity, My Me-ing My who will let Me of every faith, faithless; nations, tribes and tongues. Watch Me who let Me will, come through them in power grace and glory, humility required. I love you.

7. How to make all things new and redeem, redeem, redemption flowing through My mouth yours in the coming days, weeks, years, and never recanting I will.

8. Never recant. Never re-scope. Never resize, never duplicate into not-Me for Me is and I am, the word of I AM I am, you are. I love you.

9. Thank you for letting Me take you into faiths many and none and belief systems far from Me and mixed up greatly and forever giving them My love/truth in ever so much/increasing humility, respect and honor; and convincing never having to be. I do the work. My Father has done the work. You are My Father. I am your son. I am your son. I am your Father. I am with each one, one, and one now you do/Me/make of My new to be Me and worlds enjoy in the imagination of man not, but My Mine, my mind which you have increasingly for surrender you have and are learning day by day, hour by hour, decision by decision, love by love. Lovest thou Me? Oh yes! Thank you.

10. I give you Me and lakes many and shores without limit. Shores northwest, far east, east and south and southwest and northeast and far west and north by south and west by east and east by southwest. I love you, and farther, so much farther, christening new realms for Me first time. I love you.

11. Think it not strange I say "I am not afraid," for you are not afraid, not-afraiding My body. Thank you. Pulling them off of back rows and into jets of Me. Thank you. Caring and propelling the powerless who have given Me their all, absolute all, and value My words above life, knowing I am life, life eternal and above all else.

**12. Thank you Amy. Many songs you write of Me taking My music far, beyond thought, beyond thought. See what I have said and declared not but proclaimed My on you of your descent not but your rise to towers of strength, strength leading, strength being in your father's might not, but Mine, Mine, all Mine. Thank you.**

13. I love you and give you all things new, redeeming every error with the word of My mouth/yours. I love you. Thank you for giving/sharing Me so freely with no cost, all of Me on plains, Me, northwest by southeast and crisscrossed maximum times fortituded by Me, tenacity of only Me**. See what I have said and alternate not but reverberate sideways and forgitudinally.** I love you. Forging new paths in Me, foreheads known, loved, discerned, cared for, nurtured, loved, respected, loved, in humility royal, royalizing all who will. Good day.
Amen.
